

Hospitals of Regina Foundation 2018 Fall Home Lottery to support diagnostic imaging

Aug. 29, 2018, Regina, SK – Hospitals of Regina Foundation (HRF) launched its Fall 2018 Home Lottery today. The top prize is a \$1.1 million grand prize showhome in The Creeks.

“This lottery will have a tremendous impact on our community,” says Dino Sophocleous, president and CEO, Hospitals of Regina Foundation. “Many patients require imaging as part of their diagnosis and treatment. Proceeds will support local therapeutic and diagnostic imaging technology in Regina’s hospitals, helping many patients to receive timely care, allowing them to return home and live better lives sooner.”

The 4,000-square-foot grand prize showhome was custom-built by Dakine Home Builders. The showhome features a solid oak timber staircase, a cook’s kitchen with hidden pantry, a heated European inspired wet room in the master ensuite, and a lower level entertaining area with a wet bar. The showhome will be awarded fully furnished, professionally decorated and landscaped along with \$30,000 cash.

Those who purchase their tickets early will have the opportunity to win even more with the Maldives vacation bonus prize and the Life at the Lake early bird prize. The early bird prize includes a \$675,000 Katepwa Cottage located steps away from the water, a pontoon boat and \$5,000 cash. In total, more than 1,000 prizes will be awarded including, vehicles, vacations and leisure prizes.

The 50/50 Add-On is back for another year. Our last jackpot was more than \$800,000. Also returning is the 100 Days of Winning Cash Calendar Add-On, which offers \$1,000 daily cash prizes for 100 days.

Tickets are \$100 each, three-packs for \$250, five-packs for \$375 and super packs for \$500. To purchase your tickets, call 1-800-667-7760 or visit hrfHomeLottery.com.

About the Foundation

For more than 30 years, the community of southern Saskatchewan has strongly supported Hospitals of Regina Foundation Home Lottery. Together, we have made great strides in advancing health-care services in Regina’s hospitals and made countless lives better.

This year, the Foundation will invest in diagnostic therapeutic and diagnostic imaging – an area that touches so many patients through their journey of care in Regina’s hospitals. With your support, our medical teams will receive updated technology and equipment to help patients receive a more timely diagnosis and enhanced treatment, right here in our community. These medical advancements will mean shorter stays for many patients and an earlier return to their families and better lives. Good health care is local.
